RELEVANT SKILLS & INTERESTS

AERIAL FILMING: I built and programmed my first aerial filming hexacopter in 2010. Since then I have built and maintained a number of drones as well as move on to buy, fly and film with off the shelf ready to fly units such as the DJI Mavic Pro and DJI Inspire Pro X5R. Currently I have over 100 hours of flying experience with over 300 flights across a wide range of extreme habitats in many different countries. My experience covers natural history broadcast film making to corporate destination and structural film making and photography.

SCUBA: British Sub-Aqua Club (BSAC) Assistant Club Instructor and Dive Leader qualifications. Currently hold PADI Assistant Instructor and Dive Master qualifications as well as Technical Dive International Nitrox, Rebreather and Extended Range certifications. Currently hold over 3,000 logged dives, with well over 1500 dives with sharks species around the world including Great whites, Tiger Sharks, Bull Sharks, Bronze whalers, Thresher sharks, Great Hammerheads, Scalloped hammerheads, Silky, Dusky and Galapagos sharks, Six Gill, leopard, Silver tip, Grey Reef and White tip sharks. Over 2800 dives have been made with a camera in hand ranging from Sony HD Cam, Panasonic Varicam, IMAX, Sony EX1 & Z1.

POSITIONS OF RESPONSIBILITY: Vice-Chairman of the Board of Governors Kinabalu International School (2016-present), Borneo Eco Film Festival Committee member (2017), Vice-Chairman and founding member of SPADA(EM) Screen Production and Development Association.

POST PRODUCTION: Advanced Mac computer literacy for film production including: Final Cut Pro, Adobe Photoshop.
